Dear Carolyn,

It seems like our high school years are just flying by, doesn't it? But oh what time we have getting through it all.

Don't forget all the fun we've had in gym class.

Remember how you and I were always disagreeing on things. Oh what fun.

Well Warren I hope you have all good luck in your next ~~3~~ years of high school.

Well another little thought don't forget me.

Lotza Love,
Settii Evans.

Hi Lover:

I hope you only have one boy friend?

Love
Bob.

DECEMBER

January to December,
We'll have MOMENTS TO RE-
MEMBER.
The New Year's Eve we did the
town,
The day we tore the goalposts
down,
We will have these MOMENTS
TO REMEMBER.
The quiet walks, the noisy fun,
The ballroom prize we almost
won,
We will have these MOMENTS
TO REMEMBER.
Tho' summer turns to winter
And the present disappears,
The laughter we were glad to
share
Will echo thru the years.
When other nights and other
days
May find us gone our sep'rete
ways,
We will have these MOMENTS
TO REMEMBER.

We Dedicate---

Dear Miss Stordahl,

There is possibly no one person who has a greater part in the orientation of our individual high school career than you. As seventh graders we were literally thrilled and slightly frightened at the prospect of entering Spearfish High School for the first time. But under your guidance and supervision we soon became familiar with school routine, and the next two years seemed to fly by with little difficulty.

The compliment you gave on a new dress or shirt made the day a little brighter and cheerier. Your friendly attitude made the lessons easier, and in later years we could rely on your basic training helping us through a difficult subject.

Your sincere smile and even a sly wink as we passed you in the halls as upper classmen made us confident of your friendship and offered us the chance for "Moments to Remember."

To you, Agnes Stordahl, in remembrance and appreciation of your individual part in each of our high school memories, we dedicate this 1956 Spartan.

The Spartan Staff.

the seniors find themselves looking
back at the many events which have taken place
during their years at SHS. Among these are
their junior and senior plays and their banquet

find us gone our separate ways, we will have
these moments to remember."

singing together. The senior "songsters" presented
final number for class day, "Moments to Re-

Juniors

Through careful planning and preparation, the Junior Class has provided "Moments" for us all to remember. Funds raised by a successful junior play, and by the efficient handling of the concession stand at football games, led to this year's new Junior Class room. The new room will provide a comfortable place for the class to meet. The Class of 1962 is looking forward to the challenge of taking over

Freshmen

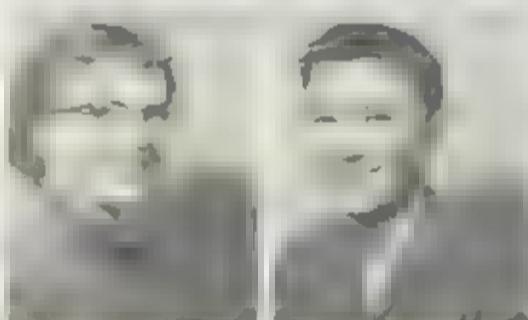

The Freshmen entered SHS with enthusiasm and interest in the school activities. They joined clubs, participated in sports, and largest of all was their interest of preparing for the annual Junior Fair by presenting a student project play, "The Ugly Duckling," and another "Quiet Please" or noisy "Dance." They showed the vitality and enthusiasm that is not to be denied.

Looking over vocalists in the Freshmen class are freshman Secretary-treasurer Mary Seeley, President Mary Klynn, and Vice-president Charles Matson.

To bring on-the-spot accurate news to the students and faculty of Spearfish High School was the job of the 1955-56 newspaper staff. The 14 journalistic students were continually alert in order to obtain any potential news which could be used in the school paper. This meant hours of work during and out-of-school to publish a permanent scrapbook of memories--The Lookout.
